Syarat dan ketentuan berlaku

Change Email Address

1.

On the Dashboard click **“Settings”**.
Then click the **“Arrow”** icon on the Profile section.

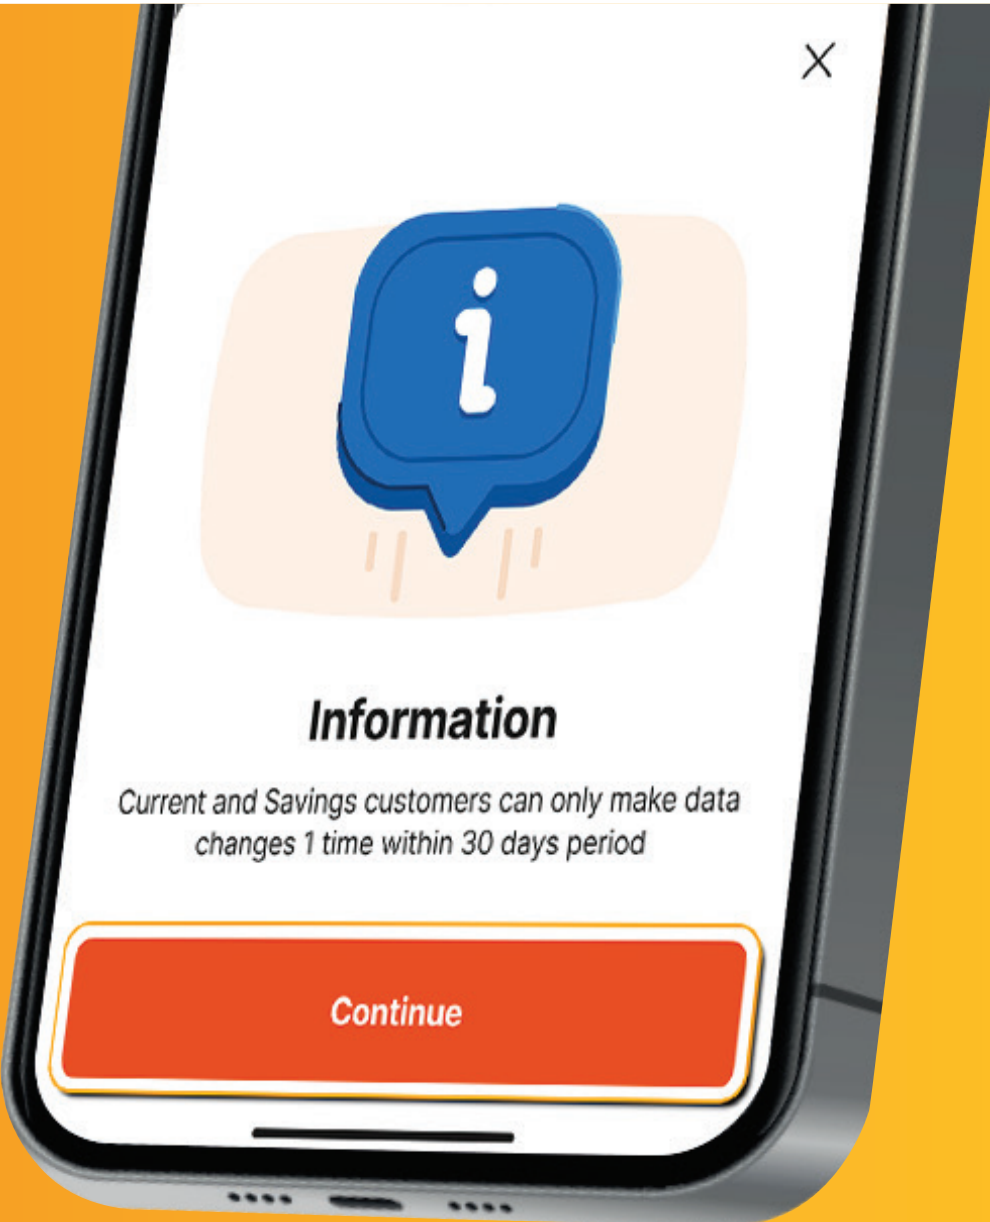

2.

Next, click the **“Pencil”** icon in the Email field to edit your email address.

3.

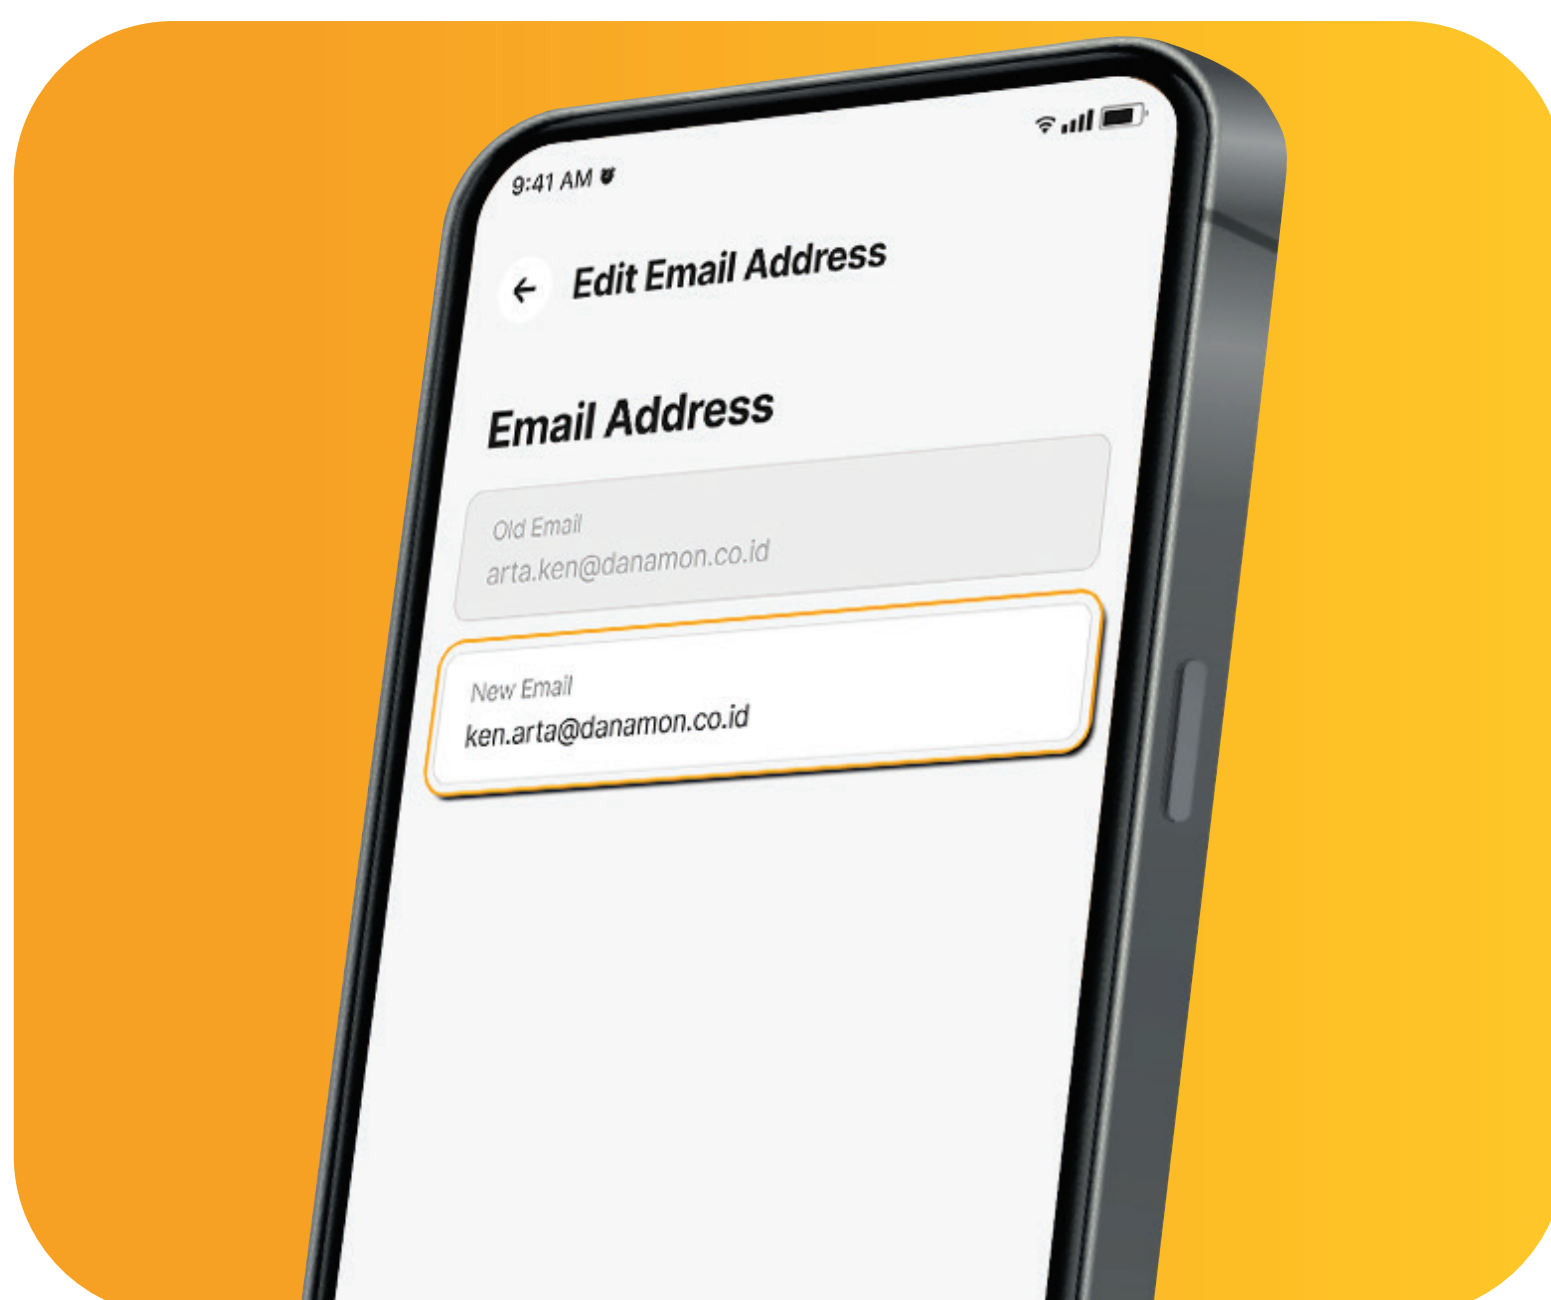

Email address changes can only be made once per month.
A pop-up message will appear. Click **“Continue”**.

Change Email Address

4.

You will be directed to the email change page. Enter your new email address in the provided field.

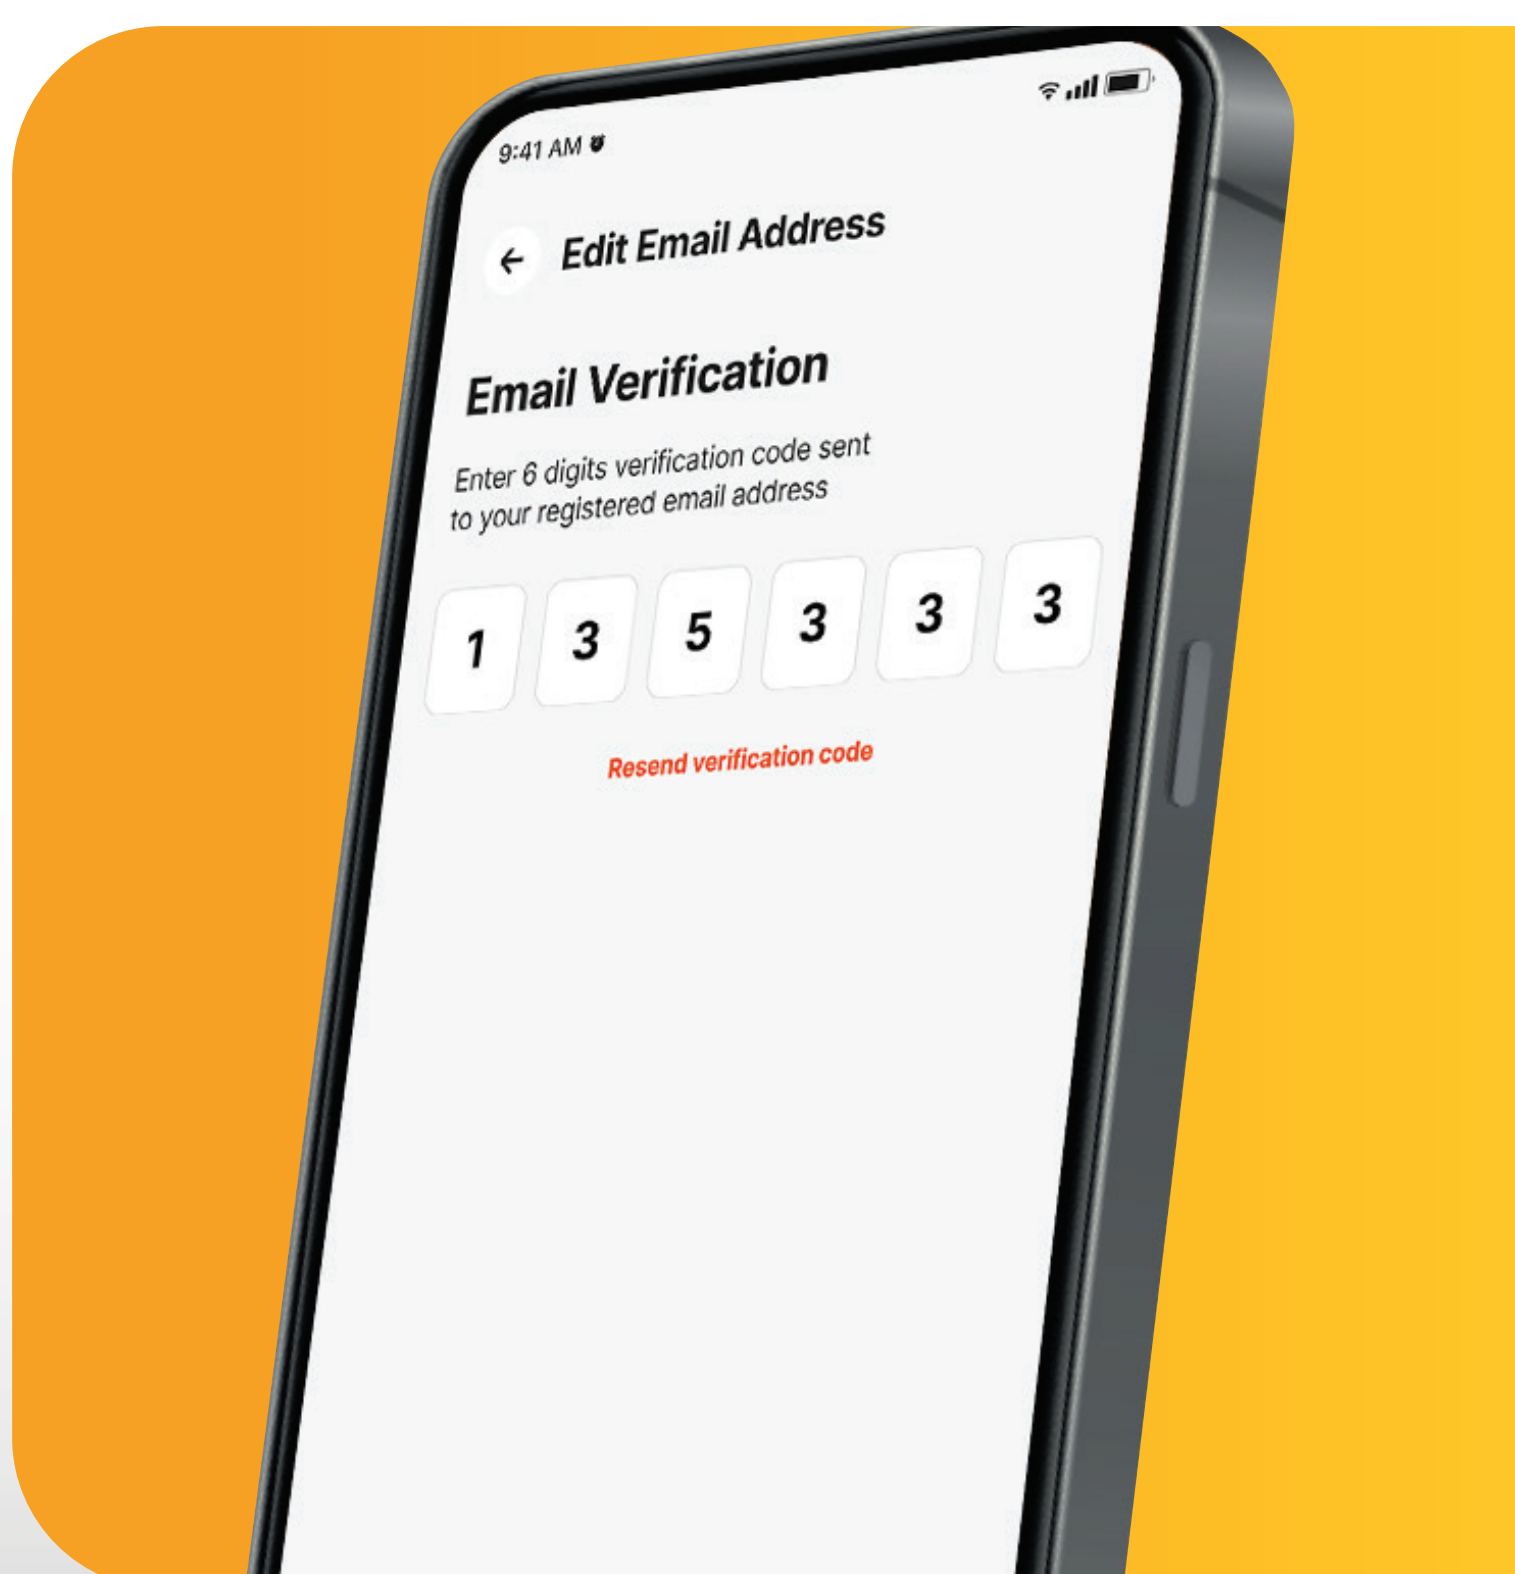

5.

After entering the new email address, click **“Save”**, then click **“Confirm”**.

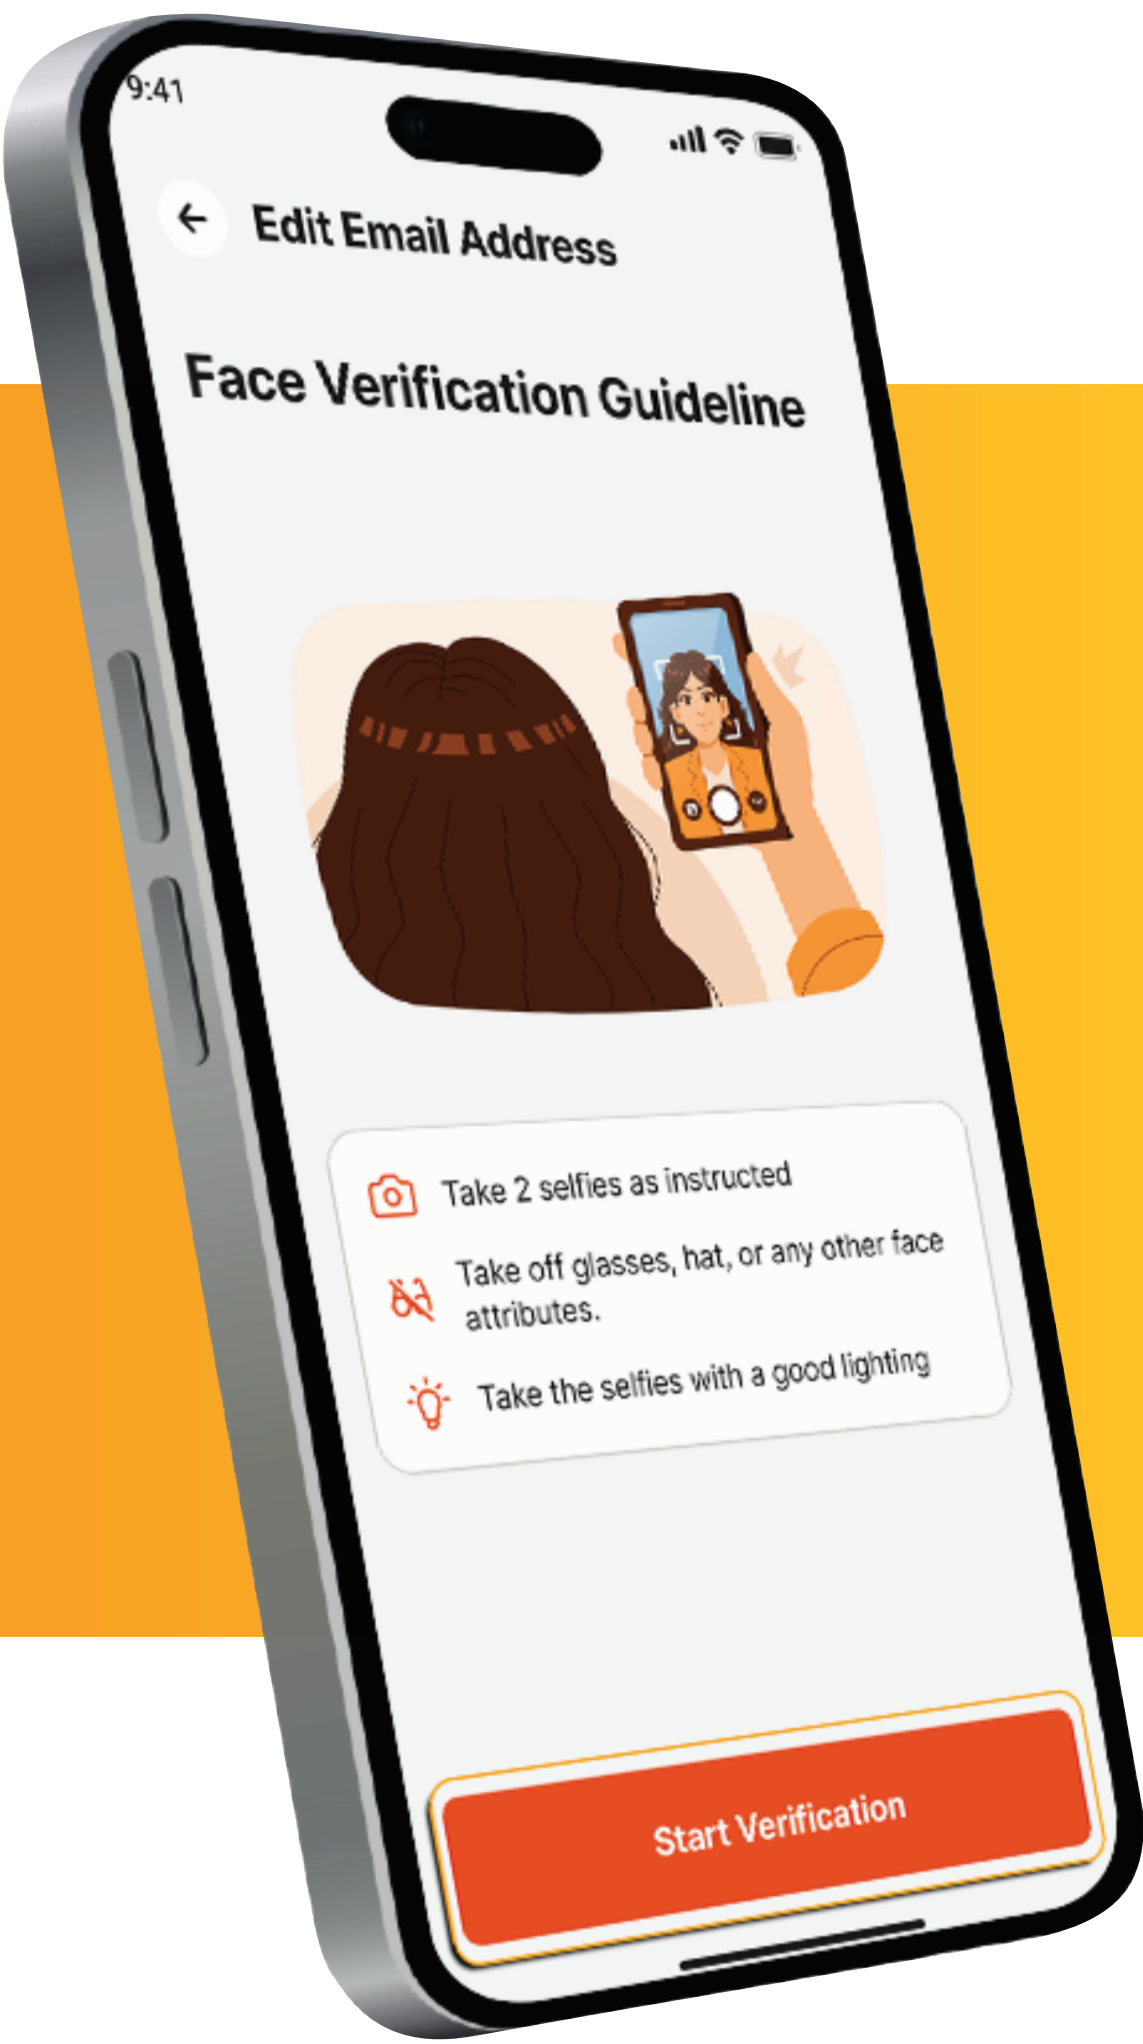

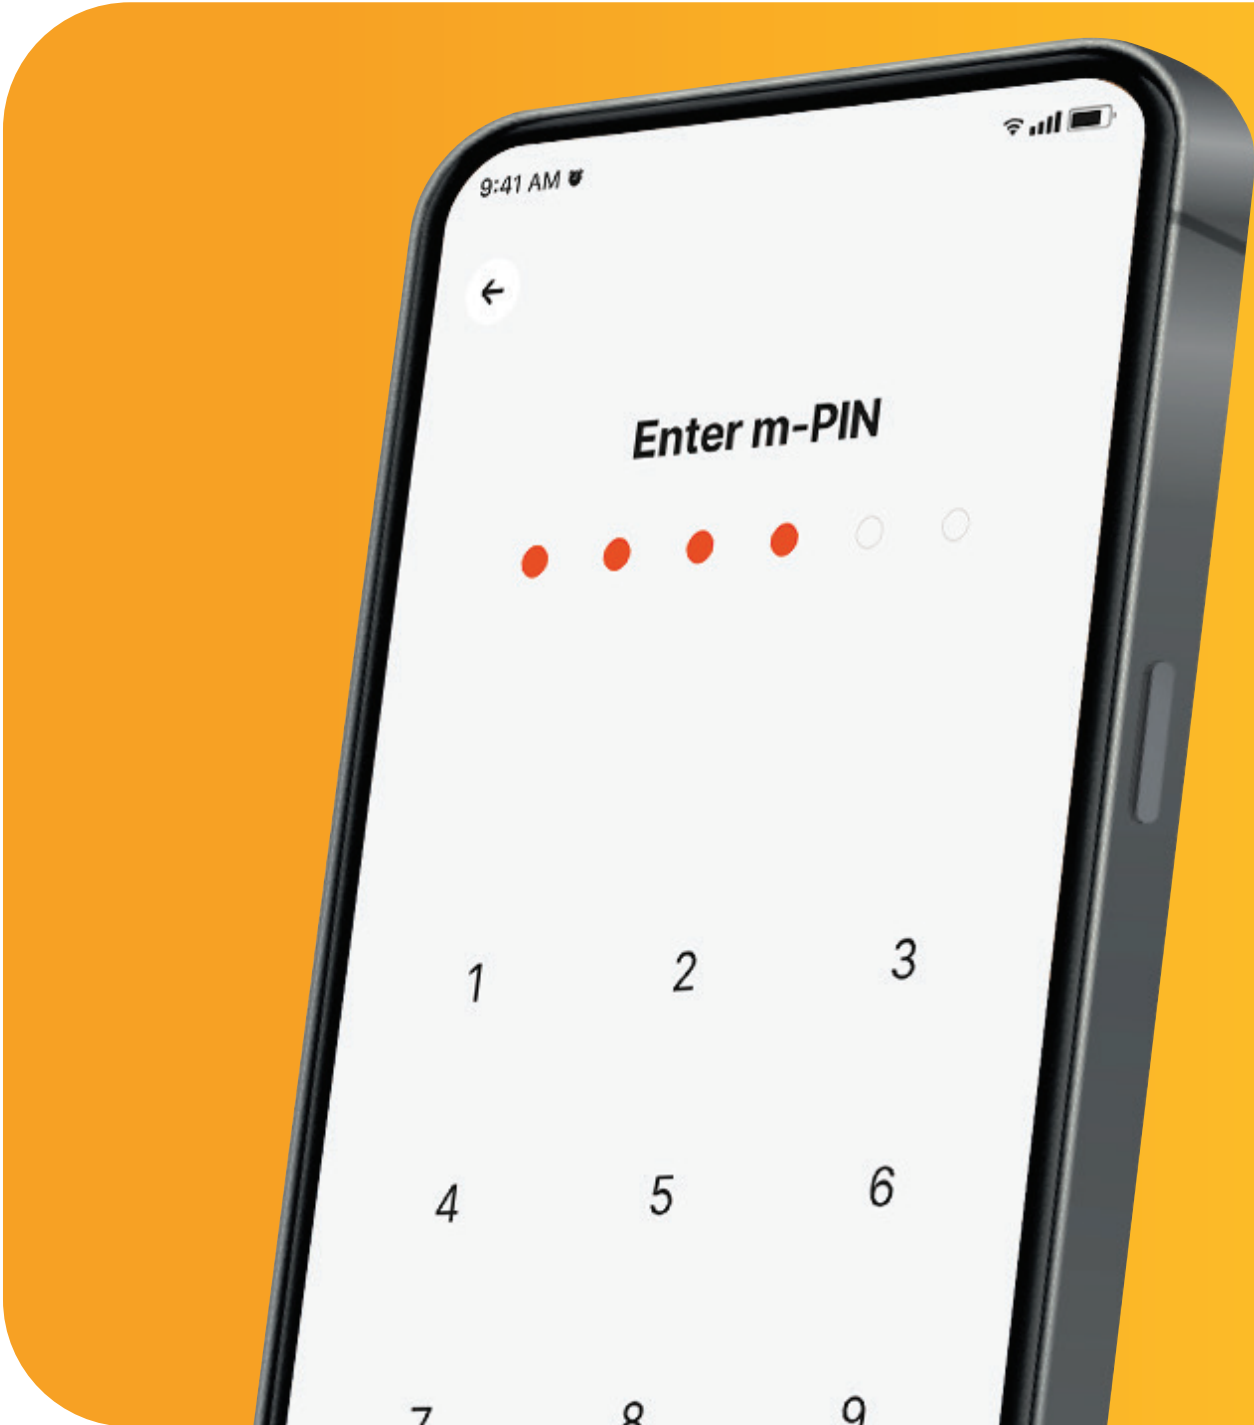

6.

A verification code will be sent to your registered email address. Enter the 6-digit verification code, then click **“Continue”**. Next, enter your m-PIN.

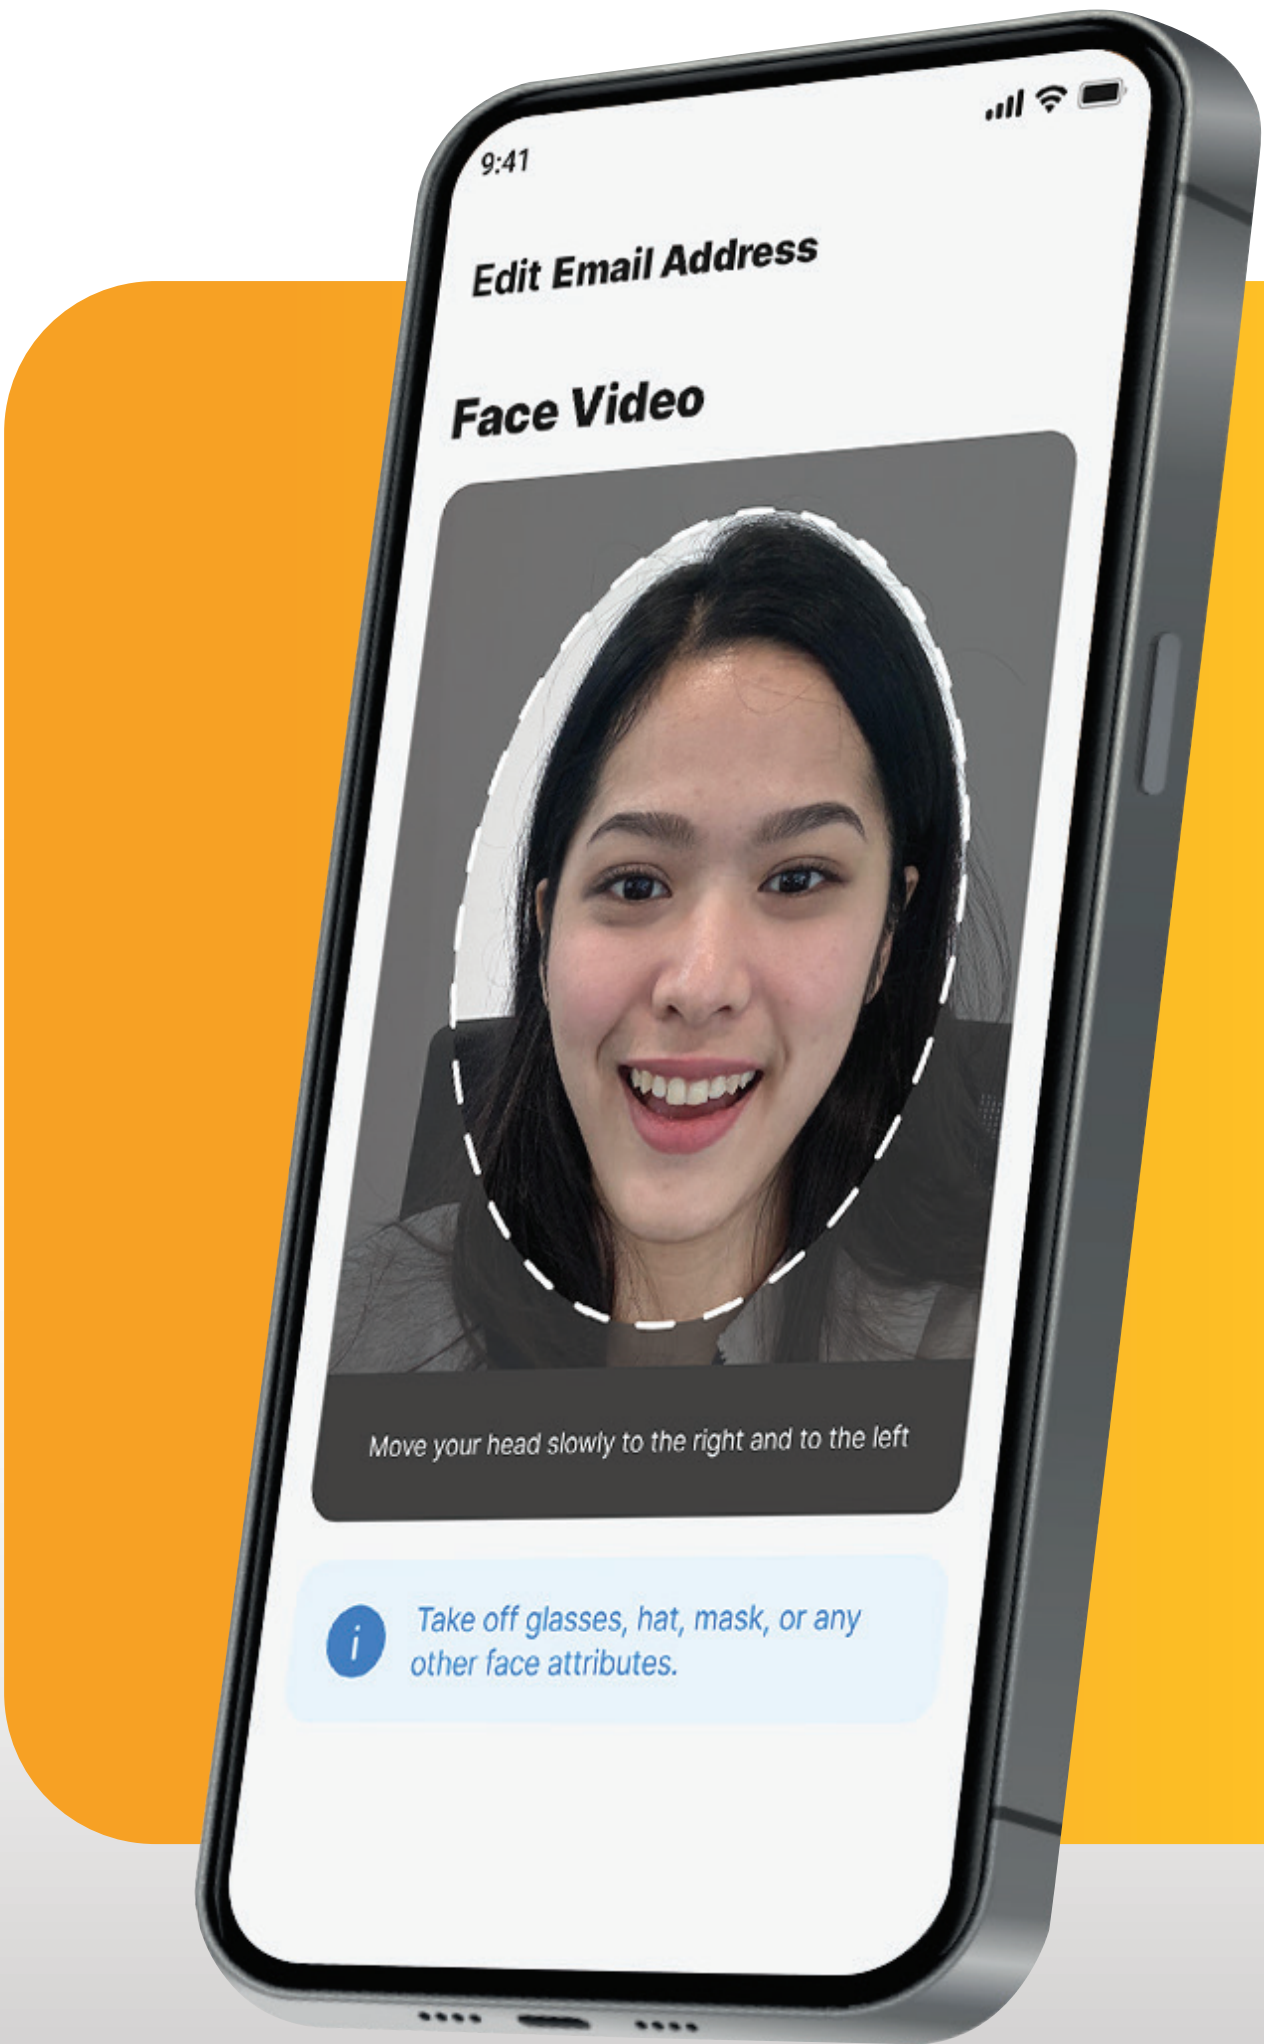

Change Email Address

7.
Enter your m-PIN to proceed.

8.
On the Face Verification page, follow the instructions displayed on the screen. Click “**Start Verification**”.

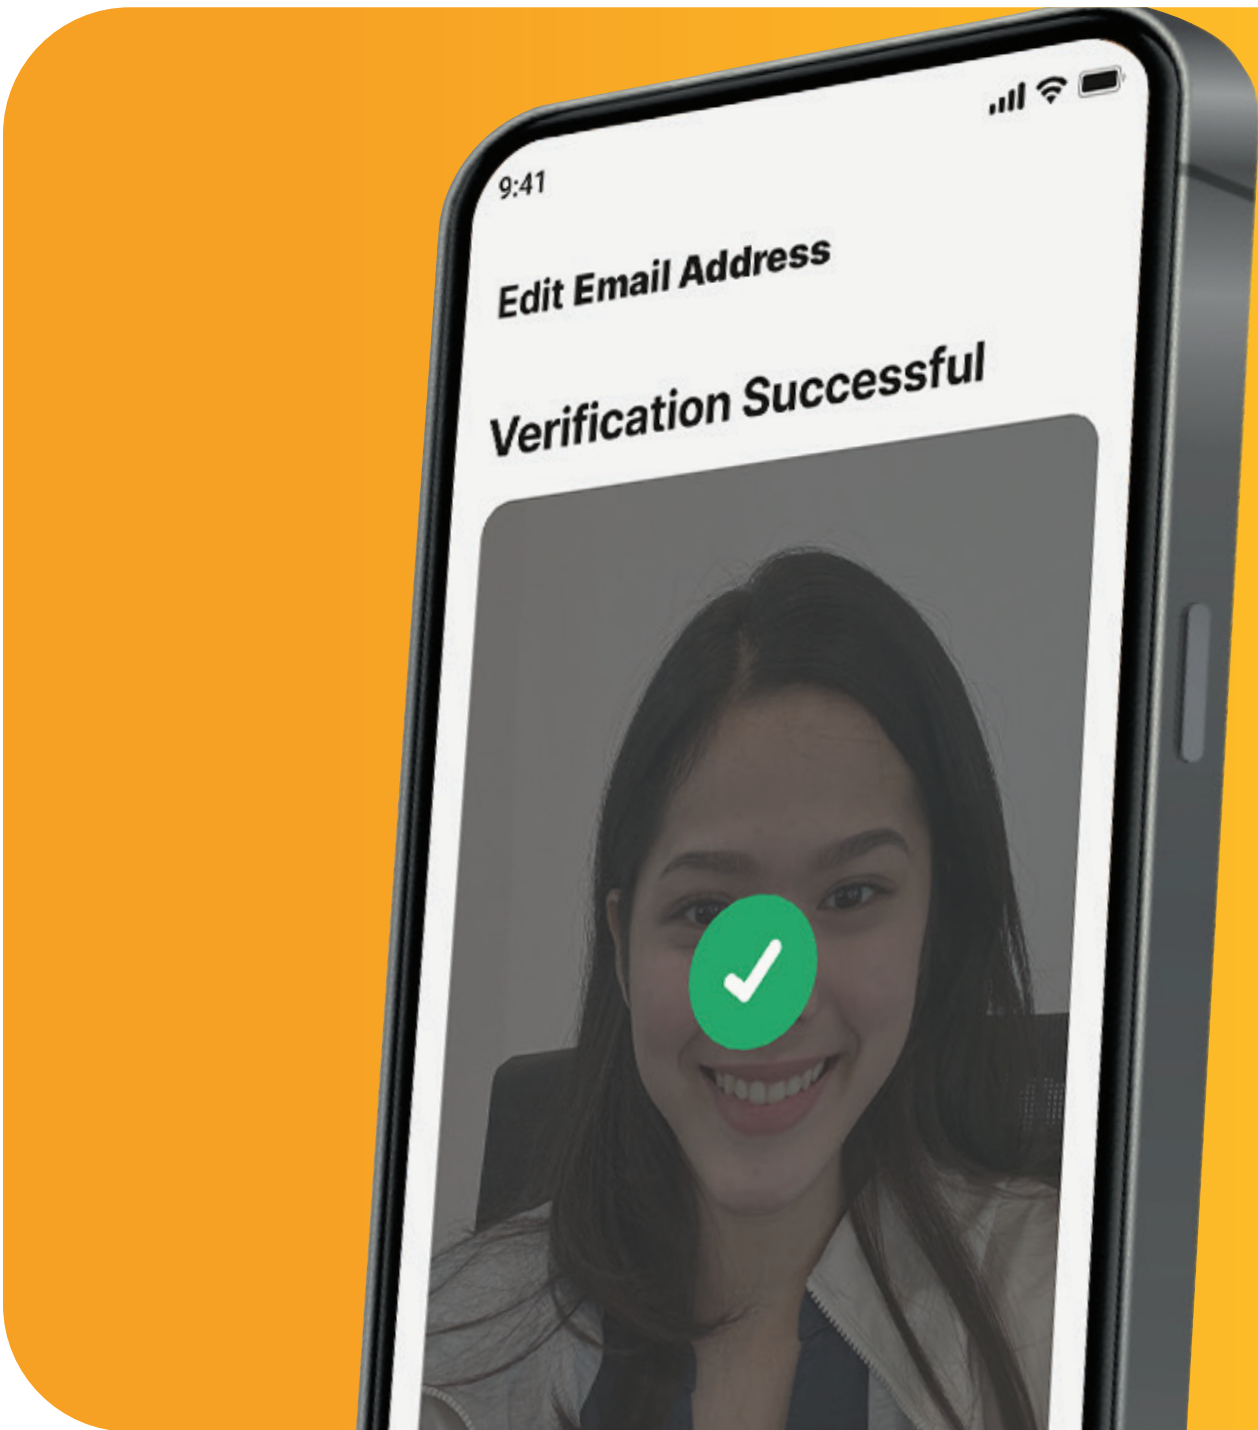

9.
Follow the instructions for facial movement. Example: turn your head left and right slowly.

Change Email Address

10.

Your verification is being processed. Please wait for the validation to complete on this page.

11.

Your email address has been successfully updated.
