Requirements and Procedures for Registration, Re-activation, Transfers via Bank Danamon Mobile Banking Services; Use of D-Cash; QRIS-Based Contactless Payments; Accessing Messages/Notifications; Accessing the Investment Menu (Mutual Funds and Bonds); Accessing the Insurance Purchase Menu; Accessing Credit Card Features; E-Commerce Transaction Payments; Accessing the Settings Menu; Blocking/Unblocking Debit Cards; Updating Personal Information; Use of BI-FAST Configuration Settings; Forgot Password Service; Use of "Collect Funds" Feature; Use of the e-Mandate Menu; and Application for Credit Facilities with Third Parties. Customer must possess a Danamon ATM/Debit Card or Credit Card.

Registration Steps:

- a. Select the "Register" menu on the Danamon Mobile Banking application.
- b. Choose the desired card type and complete the required information as prompted by the system.
- c. Enter the OTP received via SMS/WhatsApp

For Android users:

- Verify the registered mobile phone number by entering the OTP (One-Time Password) sent by the Bank. The first 3 digits of the OTP will be auto-filled by the system; the remaining 3 digits must be manually entered by the Customer. The OTP is valid for 1 minute.

For iOS users:

- Verify the registered mobile number by sending an SMS in the format provided by the Bank.
- d. Enter the OTP received via email.
- e. Proceed to create a password for the Mobile Banking Service.
- f. Re-enter the OTP received via email.
- g. Create an m-PIN, which will be used to authorize transactions.
- h. Complete the Liveness and Face Recognition (FR) validation process. In the event of a failure in this process, the Liveness and Face Recognition (FR) validation may be continued through Video Banking or at a Bank Danamon branch (if the registration method chosen is using e-KTP, the validation process can only be continued at a Bank Danamon branch).
- i. Registration is complete.

5. Re-Activation Procedure:

- a. Enter your User ID/Registered Email and Password, then click Login.

- b. Enter the OTP received via SMS/WhatsApp
 - For Android users:
 - Verify the registered mobile number using an OTP sent by the Bank. The first 3 digits are auto-filled; the remaining 3 must be entered manually. OTP is valid for 1 minute.
 - For iOS users:
 - Send an SMS in the format provided by the Bank to verify the mobile number.
- c. Enter your m-PIN, or if reactivating due to a forgotten m-PIN, create a new m-PIN.
- d. Conduct Face Recognition (FR) validation if using a new device.
- e. Re-activation is complete.

6. Performing Transactions via Danamon Mobile Banking:
 - a. Log in using your User ID/Registered Email and Password.
 - b. Select the appropriate transaction menu.
 - c. Enter transaction details.
 - d. Confirm the transaction data and enter your m-PIN.
 - e. The system will display a message indicating whether the transaction was successful, failed, or timed out.
7. Activating a Dormant Account:
 - a. Log in to the Mobile Banking application using your email/User ID and password or biometric login.
 - b. Select the "Account" menu.
 - c. Choose an account marked as "Dormant" and click "Activate".
 - d. The system will request m-PIN authentication for any linked account changes.
 - e. Customers will receive a success/failure notification for each dormant account activation.
8. Transfer Flow to Own Account:
 - a. Log in to D-Bank PRO.
 - b. Select "Transfer to Own Account" menu.
 - c. If the Customer has not previously agreed to the terms and conditions, they must provide consent and validate it with their m-PIN.
 - d. Select the destination account.
 - e. Enter the transfer amount.
 - f. Select the source account.
 - g. Confirm the transaction.
 - h. Transaction is completed successfully.
9. Transfer Flow to another Danamon Account (Overbooking):
 - a. Log in to D-Bank PRO.
 - b. Select "Transfer to Danamon Account" menu.
 - c. Select or input a new destination account.
 - d. Enter the transfer amount.
 - e. Select the source account.
 - f. Confirm the transaction.
 - g. Enter the m-PIN to validate the transaction.
 - h. Transaction is completed successfully.

Feature	Per Transaction Limit	Daily Limit	Minimum
Transfer Own Account	Rp2,000,000,000	Rp2,000,000,000	Rp1
Transfer Overbooking	Rp2,000,000,000	Rp2,000,000,000	Rp1

10. Cash Withdrawal Procedure (D-Cash):

a. Token Reservation via Bank Danamon Mobile Banking Service:

- First, initiate the token reservation by selecting the "Cash Withdrawal" menu on the Bank Danamon Mobile Banking application.
- Then, choose your Withdrawal Method, with the following options:
 - Withdraw via Danamon ATM: for withdrawals at Bank Danamon ATMs marked with D-Cash.
 - Withdraw via Other Bank ATM: for withdrawals at ATMs of other banks bearing the PRIMA network logo.
 - Withdraw via Indomaret: for withdrawals at participating merchants* (Indomaret).
 - For withdrawals via Indomaret, a terms and conditions prompt will appear. Customers must read, understand, and agree to the associated risks by clicking the "Continue" button.
- The system will then display Mobile Number and Withdrawal Amount fields. The Mobile Number will be auto filled using the number registered with Bank Danamon.
- Select the Source Account for the withdrawal.
- Choose the Withdrawal Amount, with the following limits:
 - For Danamon ATM withdrawals: minimum IDR 100,000 and maximum IDR 1,000,000.
 - For Indomaret withdrawals: minimum IDR 50,000 and maximum IDR 1,000,000.
- For Indomaret withdrawals, customers must review and accept the applicable terms and conditions.
- After completing the above steps, press "Continue" to proceed.
- A confirmation screen will appear showing token reservation details, including the Mobile Number and Withdrawal Amount. The mobile number is auto-filled based on the number registered with Bank Danamon.
- Confirm the transaction by entering your personal m-PIN.
- Your D-Cash Token reservation is now complete!

The D-Cash Token is valid for 1 (one) hour from the time of reservation.

Customers will receive a token number to perform the cash withdrawal.

Withdrawals can be made at Danamon ATMs with the D-Cash mark, other bank ATMs with the PRIMA network logo (e.g., ATM BRI, ATM CIMB Niaga, ATM Multiarta Sentosa), and Indomaret outlets participating in the D-Cash withdrawal program

b. How to Withdraw Cash at a Danamon ATM with the D-Cash Mark:

- Press any button located beside the ATM screen.
- Select "Cardless Withdrawal" from the ATM menu.
- Choose your preferred language.
- Enter your registered mobile number with Bank Danamon.

- Enter the Token Number obtained during the reservation process.
- Select the withdrawal amount, which must match the amount chosen during the reservation.
- Collect your cash and transaction receipt.
- Transaction complete!

c. How to Withdraw Cash at Other Bank ATMs with the PRIMA Logo:

(e.g., BRI, CIMB Niaga, and Multiarta Sentosa ATMs)

- Select “Cardless Withdrawal” from the ATM menu.
- Enter Bank Danamon’s code: 011.
- Enter your registered mobile phone number with Bank Danamon.
- Enter the Token Number received during the reservation process.
- Select the withdrawal amount, which must match the amount specified during the reservation.
- Collect your cash and transaction receipt.
- Transaction complete!

d. How to Withdraw Cash at Indomaret Outlets:

- Provide the Token Number, your registered mobile phone number, and the withdrawal amount to the Indomaret cashier at the nearest outlet.
- The cashier will input the information into the system. If the data is verified, the cashier will dispense the cash from the register and provide a transaction receipt as proof of withdrawal.
- Transaction complete! Please collect your cash and transaction receipt from the cashier.

e. How to Cancel a Reserved Cash Withdrawal Token:

- Tap the “Cash Withdrawal” menu or access the token reservation history by clicking the notification bell icon.
- Select the active token reservation you wish to cancel.
- The detailed token reservation receipt page will be displayed.
- Tap “Cancel”, confirm the token cancellation, and enter your m-PIN to authorize the cancellation.
- The cash withdrawal reservation has been successfully cancelled.

f. How to View Cash Withdrawal History:

- Tap the Notification Bell icon.
- Select the “Cash Withdrawal Notifications” menu.
- A history of cash withdrawal transactions for up to the last 3 months will be displayed on the Bank Danamon Mobile Banking Service interface.

11. QRIS payments via Mobile Banking can be made through the QRIS menu on both the login page (without logging in) and the dashboard page (after logging in) of the Bank Danamon Mobile Banking application.

QRIS Payment via the Login Page (No Login Required):

- Tap the “QRIS” button on the login page of the Bank Danamon Mobile Banking app.
 - If you have not previously activated the feature, the system will prompt you to activate it first.
 - If already activated, you may proceed directly to step (b).

- b. The system will access your device camera and display the QRIS Code scanning interface.
- c. Scan the available QRIS code at the merchant or tap the Gallery/Image icon on the right side of the screen to upload a QRIS code image from your device's gallery.
- d. Once the QRIS code is successfully validated, the system will display the Payment screen.
- e. Select the Funding Account:
 - Choose Savings to pay using your savings account.
 - Choose Credit Card to pay using your Danamon credit card.
- f. Enter the Amount (for static QRIS codes only).
- g. Tap "Continue", review the transaction details, and enter your m-PIN to confirm.
- h. The system will display the result: Transaction Successful, Failed, or Timeout.

QRIS Payment via the Dashboard (Requires Login):

- a. Tap the "QRIS" button on the dashboard of the Bank Danamon Mobile Banking app.
- b. The system will access your device camera and display the QRIS Code scanning interface.
- c. Scan the available QRIS code at the domestic merchant or overseas merchant in Malaysia, Singapore, and Thailand for QRIS Cross-Border*
- d. Once the QRIS code is successfully validated, the system will display the Payment screen.
- e. Select the Funding Account:
 - Choose Savings to pay using your savings account.
 - Choose Credit Card to pay using your Danamon credit card.
- f. Detail 'Amount' input depending on scanned QRIS
 - a. For QR Static, input 'Amount'
 - b. For QR Dynamic, 'Amount' will be displayed based on scanned QR
 - c. For QR Static Cross-Border, customer need to input manually to 'Amount' field**. Conversion rate for QR Static will be displayed in confirmation page.
 - d. For QR Dynamic Cross-Border, 'Amount' will be displayed based on scanned QR including conversion rate.
- g. Tap "Continue", review the transaction details, and enter your m-PIN to confirm.
- h. The system will display the result: Transaction Successful, Failed, or Timeout.

*Currently, QRIS Cross-Border is available in Malaysia, Singapore, and Thailand. Additional countries will be available for QRIS Cross-Border transactions.

**The currency used when entering the 'Amount' field in the Static QR Code is based on the location of the merchant's issuing bank.

12. How to Access the Investment Menu (Mutual Funds and Bonds):

- a. Mutual Funds (Reksa Dana)

To access the Mutual Funds menu:

- Select "Mutual Funds" from the Bank Danamon Mobile Banking Service menu.
- Tap the "Portfolio" tab to view your investment portfolio and account summary.
- Tap the "Products" tab to explore available mutual fund products.
- Tap the "History" tab to view your mutual fund transaction history.

Mutual Fund Top-Up Transactions

Customers may perform mutual fund transactions via the Mobile Banking Service only if the following conditions are met:

- The customer has registered a valid SID (Single Investor Identification) through a Bank Danamon branch prior to transacting.

- The bank account is under the customer's own name.
- The bank account is a single account.
- The customer has a valid risk profile.
- The customer has an active investment account.
- The selected product is suitable for the customer's investment profile.
- The customer has a bank account in the currency matching the selected investment product.
- Sufficient funds are available in the source account for the transaction.

1) Via the "Buy Again" button on the Portfolio page:

- Tap the "Mutual Funds" icon under Transactions. On the Portfolio page, click "Buy Again".
- The system displays the Top-Up page with product details. Input the desired investment amount and select the source account. Review and agree to the Terms & Conditions, Fund Fact Sheet, and Prospectus by scrolling through the documents.
- You'll be directed to the Confirmation page to review your order. Enter the OTP sent to your registered mobile number.
- Tap "Submit".
- The system will display an Acknowledgement Page indicating whether the transaction was successful, failed, or timed out.

2) Via the "Buy" button on the Products page:

- Tap the menu icon "Hamburger" in the top left, then select the "Products" menu.
- Click the "Buy" button next to the desired product.
- The system will display the Order page. Input the investment amount and review the Terms & Conditions, Fund Fact Sheet, and Prospectus.
- The system will pre-fill the investment account number. Select the bank account for debit, then tap "Continue".
- Enter the OTP sent to your registered mobile number and tap "Submit".
- The system will display the Acknowledgement Page indicating transaction status.

3) Via the "Buy" button on the Product Detail page:

- Tap the menu icon "Hamburger", then go to the "Products" menu.
- Tap "Details" on the selected product, then click "Buy" at the bottom of the page.
- Proceed as with the previous methods: input amount, review documents, choose debit account, input OTP, and receive confirmation.

Mutual Fund Redemption Transactions:

- Tap the menu icon "Hamburger" and select the "Portfolio" menu.
- Tap the "Sell" button next to the product you own.
- Enter the number of units to redeem. Review and accept the Terms & Conditions, Fund Fact Sheet, and Prospectus.
- The investment account number will be pre-filled. Select the bank account for crediting. Tap "Continue".
- Enter the OTP received via SMS and tap "Submit".
- The system will display an Acknowledgement Page with transaction status.

Mutual Fund Switching Transactions:

- Tap the menu icon “Hamburger” and go to the “Portfolio” menu.
- Tap the “Switch” button next to the fund you want to switch from.
- Enter the number of units and the target product. Review and accept the Terms & Conditions, Fund Fact Sheet, and Prospectus.
- The investment account number will be pre-filled. Tap “Continue”.
- Enter the OTP received via SMS and tap “Submit”.
- The system will display an Acknowledgement Page indicating whether the switch was successful, failed, or timed out.
- Select the “Products” tab to view the available Mutual Fund products.
- Select the “History” tab to view your Mutual Fund transaction history.

b. Bonds (*Bonds Online*)

To access the Bonds menu:

- Select “Bonds” from the Bank Danamon Mobile Banking Service menu.
- Tap the “Portfolio” tab to view your bond holdings and account summary.
- Tap the “Products” tab to explore available bond offerings.
- Tap the “History” tab to view your past bond transactions.
- Tap the “Profile” tab to view your personal customer information.

13. How to Access the Vehicle Insurance Purchase Feature (Two-wheelers and four-wheelers):

- a. Select the “Products” menu.
- b. Tap the “Insurance” menu and choose one of the vehicle insurance options: “Car Insurance” or “Motorcycle Insurance.”
- c. Fill in the vehicle details to be insured and the effective date of the policy. On this page, you can also add optional protection for car accessories.
- d. On the Insurance Selection page, choose from the available insurance products. This page provides details on the type of coverage, benefits, and an estimated premium.
- e. The next section displays detailed insurance product information, including Benefits, Terms & Conditions, and Claim Information. Hyperlinks are available to download the General Product and Service Information Summary, Terms & Conditions, and Claim Information documents. You are required to accept the Terms & Conditions before proceeding.
- f. After accepting the Terms & Conditions, you will proceed to the Additional Coverage page. Adding coverage is optional.
- g. You will then be directed to a form containing the Customer Data (auto-filled from your profile), Insured Party Information, and Vehicle Ownership Details (e.g., STNK or BASTK), which need to be completed.
- h. Tap “Continue” to proceed to the Order Review page, where you must reconfirm the Terms & Conditions and select the funding account.
- i. Proceed to the Payment Confirmation page and authenticate the transaction by entering your OTP or m-PIN.
- j. Upon successful purchase, a notification will appear. The status in the “My Insurance” page will show “Pending Verification by Insurer”, indicating that your insurance application has been received. The insurance policy documents will be sent to your registered email address.

A member of ~~How to~~ Access the Micro Health Insurance Purchase Feature:

- a. Select the "Transactions" menu.
- b. Tap the "Insurance" option, then select "Health Insurance."
- c. Fill in the required fields: Gender and Date of Birth.
- d. On the Insurance Selection page, choose between available products:
 - Micro Insurance for Dengue Fever Plus
 - Micro Insurance – Hospital Cash Plan for 5 DiseasesThis page displays a summary of the coverage type, benefits, and minimum premium value.
- e. You will then see detailed insurance product information, including Benefits, Terms & Conditions, and Claim Information, along with hyperlinks to download:
 - General Summary of Product and Service Information
 - Terms & Conditions
 - Claim InformationYou must read and agree to the Terms & Conditions to proceed.
- f. The next page displays the Customer Information, which is auto-filled from the Bank's system, and the Insured Party Information, which must be completed.
 - You may also provide the insured party's data for a family member whom you wish to cover under the selected micro health insurance product.
- g. Tap "Continue" to proceed to the Order Review page. A hyperlink will be provided to open/download the Personalized Product and Service Information Summary. You will be required to review and accept the Terms & Conditions and select the funding account for payment.
- h. Tap "Continue" to go to the Payment Confirmation page, and authenticate the transaction by entering your OTP or m-PIN, confirming that you authorize the payment and product application.
- i. If the insurance application is successful, a notification will appear. The status on the "My Insurance" page will read "Data submission for insurance application was successful." Once the application is approved by the insurance partner, the insurance documents will be sent to your registered email address.

14. How to Access the Travel Insurance Purchase Feature:

- Log in to the Bank Danamon Mobile Banking Service using your user ID and password or biometric login.
- Select the "Transactions" menu.
- Tap the "Insurance" menu.
- Choose the "Travel Insurance" product.
- A brief product information page will appear outlining the benefits of the Travel Insurance.
- A detailed product information page will follow, containing specifics about the coverage benefits and terms and conditions.
- The customer must read a declaration statement confirming that the Proposed Insured has read, understood, and agreed to all information provided in the links, and that the product meets their needs. The customer also agrees that the offered product is owned by PT Zurich Asuransi Indonesia Tbk (Zurich) and marketed through a collaboration with PT Bank Danamon Indonesia Tbk (the Bank), and that it is not a product of the Bank. The customer will be redirected to

Zurich's website to complete the purchase. The insurance policy (e-policy) will be issued and sent via email.

- Fill in the Travel Information, including type of trip, number of travelers, travel dates, and destination. There is also a field to enter a promo code (if any) to apply valid promotional discounts.
- Select an insurance package based on your needs. Available packages will be adjusted accordingly.
- Complete the Insured Party Information, including: name, date of birth, gender, ID type, ID number, phone number, and email address — either your own or the person you wish to insure.
- Click "Continue".
- On the Order Review page, ensure all order details are accurate. Click "Review Summary" to view a breakdown of the travel details, package details, and customer/insured party information.
- Select the preferred payment method (Credit/Debit Card or Virtual Account).
- Read the Terms and Conditions, then check the boxes confirming that you agree to the applicable terms and that the personal data of the Customer/Proposed Insured may be used accordingly. Click "Continue."
- Complete the purchase transaction using the selected payment method.
- Once the application is successfully submitted, a policy summary and payment information will be sent to your registered email address.

15. How to Access the Credit Card Feature:

The Credit Card feature can be accessed once the Customer has successfully completed the Credit Card Linking process in the Bank Danamon Mobile Banking Service. This feature is available through two (2) access methods:

- a. Via the Home Page
 - Select "Credit Card"
 - A summary of the Customer's linked credit card(s) will be displayed
- b. Via the Portfolio Menu
 - Select the "Posrtfolio" menu
 - Choose "Loans"
 - Select "Credit Card"
 - A summary of the Customer's linked credit card(s) will be displayed

- e. Review the detailed product information and pricing, then click "Next".
- f. Carefully read all terms and conditions, then tick the box to agree.
- g. Click "Apply" to be redirected to Adira's microsite.
- h. Perform a loan simulation, confirm your selections, and complete the application form.

Finally, submit the loan application form.

41. How to Use the Request Money Feature:

- a. Creating a New Money Request
 - Select "Request Money" from the D-Bank PRO menu.
 - If you haven't previously agreed to the Terms and Conditions for the Request Money feature, a pop-up will appear. You must read and agree before proceeding.
 - Click the "Create New Request" button.
 - Choose or add participants for the bill you want to create (maximum of 10 participants per request), then click "Next".
 - Fill in the Bill Name, select the destination account for receiving the payment, choose the Transaction Purpose, enter the Amount, and check the split evenly option if applicable. You may enter the amount to be requested from each participant and add notes if needed.
 - Click "Next", review all entered data, and then enter your m-PIN to authorize the transaction.
 - You can view the bill details and payment status under the "Tagih Teman" (Request from Friends) tab in the "Request Money" menu.
- b. Paying a Money Request
 - Select "Request Money" from the D-Bank PRO menu.
 - If you haven't previously agreed to the Terms and Conditions, a pop-up will prompt you to read and agree before proceeding.
 - Go to the "My Bills" tab to view incoming requests.
 - Click on the bill you want to pay.
 - Select the source account for payment.
 - Click "Pay", review all input data, and enter your m-PIN to authorize.
 - Click "Send" — the payment will be successfully completed.

42. How to Use the e-Mandate Menu:**a. Creating a New e-Mandate**

- Select 'e-Mandate' from the D-Bank PRO menu.
- If you haven't previously agreed to the Terms and Conditions for the e-Mandate feature, a pop-up will appear. You must read and agree before proceeding.
- Click the 'Create New e-Mandate' button.
- Fill in the required information 'Select Funding Account, insert Merchant ID', insert 'Merchant Name', insert 'Merchant Account Name', insert 'Merchant Account Type', insert 'Merchant Account Number, insert 'Agent ID', select 'Merchant Type', choose 'Nominal Settings', insert 'Amount', select 'Transaction Type', insert 'Start Date'
- Click 'Next', review all entered data, and input your m-PIN to authorize the transaction.
- You can view the e-Mandate details and status under the 'e-Mandate' tab. The e-Mandate will become active once approved by the merchant.

b. Modifying an e-Mandate

- Go to the 'e-Mandate' menu in D-Bank PRO.
- Click on the e-Mandate you want to modify, then click 'Edit'.
- Update the desired fields. Editable fields include:
 - Funding Account
 - Merchant Type
 - Nominal Settings
 - Amount
 - Start Date
- Click 'Next', verify the details, and input your m-PIN for authorization.
- Click 'Submit'. The e-Mandate modification will be processed and activated upon merchant approval.
- You can monitor the update status in the 'e-Mandate' tab.

c. Deleting an e-Mandate

- Access the 'e-Mandate' menu.
- Click the e-Mandate you wish to delete, then select 'Delete'.
- Double-check the e-Mandate details before confirming and input your m-PIN to proceed.
- Click 'Submit'. The e-Mandate deletion is complete.

d. Accepting an e-Mandate Request or Modification

- Go to the 'e-Mandate' menu.
- If you haven't agreed to the e-Mandate Terms and Conditions before, a pop-up will appear. Read and accept them first to proceed.
- Click the 'Incoming Requests' tab.
- Confirm the e-Mandate details.
- Click 'Submit' to successfully approve the e-Mandate request or change.

43. How to Use the Cash Deposit Feature:**a. Token Reservation via Layanan Mobile Banking Bank Danamon (D-Bank PRO)**

1. First, reserve a deposit token by selecting the 'Cash Deposit' menu in the mobile banking app.
2. Then select the "Deposit Method":

- Cash Deposit via Indomaret: choose this option if you want to deposit cash through a merchant (Indomaret).
- For this service, terms and conditions will appear on the screen. These must be read, understood, and agreed upon by the customer by clicking the 'Continue' button, especially regarding the associated risks.
- 3. Choose your "Destination Account" and select the "Deposit Amount" (minimum IDR 50,000 and maximum IDR 1,000,000). If you wish to deposit a different amount, select 'Other Amount'. For Indomaret deposits, there is a checkbox confirming the customer agrees to the previously displayed terms and conditions.
- 4. Next, confirm the details of the token reservation, including your mobile number and deposit amount. The mobile number field will be automatically filled with the number registered by Bank Danamon.
- 5. Confirm your reservation by entering your personal m-PIN.
- 6. Your token reservation is complete!
- 7. The token is valid for 1 (one) hour from the time of reservation. The customer will receive a token number to be used for the cash deposit transaction. You may visit the nearest Indomaret store to complete your cash deposit.

b. How to Make a Cash Deposit at an Indomaret Store:

- 1. The customer provides the token number to the Indomaret cashier at the nearest Indomaret store.
- 2. The cashier enters the token number into the system. If the token is valid, they will receive the cash and issue a transaction receipt as proof of the deposit.
- 3. Transaction complete! Please take your receipt and check the status on your D-Bank PRO application.

*Currently, Indomaret is the only merchant partnered with Bank Danamon for cash deposit services. However, more merchants will be added in the future. Customers can use the available merchant options shown in the 'Withdrawal Type' or 'Cash Deposit Location' menu.

c. How to Cancel a Reserved Cash Deposit Token:

- 1. Tap the "Others" menu, then select the main transaction menu 'Cash Deposit & Withdrawal Transactions' and choose "Cash Deposit".
- 2. Open the "Cancellation" tab and tap the active reservation you want to cancel.
- 3. Enter your m-PIN to confirm the cancellation.
- 4. The Cash Deposit reservation has been successfully canceled.

d. How to View Cash Deposit History:

- Tap the "Others" menu, then go to the main transaction section 'Cash Deposit & Withdrawal Transactions', and select "Cash Deposit".
- Tap the "History" menu.
- Your Cash Deposit transaction history for up to 3 months will be displayed on the Mobile Banking screen.
- Tap the 'Filter' button to adjust the display of your Cash Deposit history.

Requirements and Procedures for Accessing Credit Card Features, including: Linking Credit Card, Credit Card Dashboard, E-Statement, Credit Card Activation, Change Credit Card PIN, Request for Primary Credit Card (Add-On), Request for Supplementary Credit Card, Money Transfer, Autopay, Change Credit Limit, Block/Unblock Card, Credit Protection, My Own Installment (MOI), Credit Card Installment Information, Bill Payment, and Reward Points Redemption.

*Terms of rates, fees, and limits refer to the applicable rates, fees, and limits.

**Interest and administrative fees can be viewed on the screen available in the MT and MOI features.

The fees available in D-Bank PRO may change at any time and will be communicated in advance to customers through communication channels provided by the Bank.

Customer Complaint Procedure

Complaint Submission

1. Customers may submit complaints regarding D-Bank PRO transactions/services either verbally or in writing through:
 - a. Nearest Bank Danamon branch office,
 - b. Contacting Hello Danamon at 1-500-090; or
 - c. Via email at helldanamon@danamon.co.id.
2. Danamon staff will provide confirmation or a Complaint Form to the Customer once all requirement are complete.
3. If the complaint documentation is incomplete, the Customer must complete it within a maximum of 10 working days. This period may be extended by another 10 working days if the documents are outside the Customer's domicile and/or due to other circumstances beyond the Customer's control.

Complaint Handling

1. Danamon staff will follow up on verbal complaints within a maximum of 5 working days, and written complaints within a maximum of 10 working days.
2. The follow-up and resolution period for written complaints is a maximum of 10 working days from the date the complete documents are received. Under certain conditions, the Bank may extend this period by up to 10 additional working days.
3. If the resolution period is extended as stated in point 2, the Bank will notify the Customer.
4. Customers may request updates from Danamon staff regarding the complaint resolution process using the contact information provided during complaint confirmation or as stated in the complaint receipt.
5. Danamon staff may request additional documents from the Customer during the complaint review process to facilitate resolution.

Complaint Resolution

1. Danamon staff will provide a response to the Customer's complaint based on the results of the review.
2. Based on the review results:
 - a. If the Customer accepts the resolution and/or response from the Bank, the complaint will be closed.
 - b. If the Customer does not accept the resolution and/or response from the Bank:
 - The Customer may file an objection by submitting new documents not previously provided.
 - The Customer may pursue dispute resolution through the courts or alternative dispute resolution bodies (LAPS BI/OJK).

Important Notes

1. To register for Bank Danamon's Mobile Banking Service, always use your own mobile phone number and email address. To update your registered mobile number or email, please visit the nearest Danamon branch or contact Hello Danamon.
2. Do not disclose your User ID/Email Address, Password, Verification Code, Secret Code, Token, or m-PIN of Bank Danamon's Mobile Banking Service to anyone. Maintain the confidentiality of these credentials. Beware of fraud attempts by individuals claiming to be Bank Danamon Indonesia officers via phone, fax, or email who ask for personal data including your User ID/Email Address,

Danamon

Password, Verification Code, Secret Code, Token, or m-PIN. Bank Danamon staff will never request this information from customers.

A member of Mastercard

3. Avoid registering for Bank Danamon's Mobile Banking Service under the guidance of another person. Learn the registration process in full via the FAQs, by visiting a nearby Danamon branch, or contacting Hello Danamon to prevent potential fraud.

4. Avoid using public computers or shared Wi-Fi networks when accessing Bank Danamon's Mobile Banking Service.
5. If an update is available for the Danamon Mobile Banking application on the Play Store or App Store, immediately update your application.
6. Registration can only be done through the mobile-based Danamon Mobile Banking Service.
7. Be vigilant and avoid opening emails from unknown senders or clicking on suspicious links from unfamiliar sites/emails.
8. Customers acknowledge and accept any risks that may arise from using the Account Opening feature via Bank Danamon's Mobile Banking Service. This includes, but is not limited to, input errors, interest rate changes, account openings on holidays, and the risk of email accounts being hacked and used for unauthorized transactions.

PT Bank Danamon Indonesia Tbk is licensed and supervised by the Financial Services Authority (OJK) and Bank Indonesia and is a member of the Indonesia Deposit Insurance Corporation (LPS) scheme.
