Risk Classification

Avoid high risk investments, want stability, want steady income within one to two years.

Risk Profile Description

• Low
Prefers to avoid investments in highly volatile instruments, seeks stability and steady income, with an investment horizon of one to two years.

• Moderate
Has a moderate tolerance for investment risk and is willing to accept some market fluctuations, while seeking to limit significant price volatility, with an investment horizon of three to five years.

• High
Has a high tolerance for investment risk and price fluctuations, and seeks higher potential returns, with an investment horizon of five to ten years.

Custodian Bank

Standard Chartered Bank has been operating in Indonesia to conduct business as a Commercial Bank since 1968. And has obtained approval to conduct business as a Custodian in the Capital Market based on Decree of the Chairman of Bapepam No. Kep-35 / PM.WK / 1991 dated June 26, 1991.

Requirements and Procedures

To open an account and conduct Mutual Fund transactions, you are required to complete, at a minimum, the following requirements:
1. Submit a copy of your National Identity Card (KTP) or Passport (for foreign nationals).
2. Complete and sign the Know Your Customer (KYC) Form.
3. Complete the Investor Risk Profile Questionnaire.
4. Submit a Beneficial Owner Declaration (if applicable).
5. Complete the Subscription and/or Redemption Form.

Note: The account opening and Mutual Fund transaction procedures may vary among different Mutual Fund Selling Agents.
